Classes are offered at two convenient times:

Thursday mornings @ 10:15 a.m.

Thursday evenings @ 6:30 p.m.

Both sessions begin January 12.

Although the prophets were speaking to the house of Israel, the concepts contained in these books are relevant to our modern-day world. You will be lifted high with the realization that God not only works in the lives of individuals but also in the affairs of nations. We will see how their primary message pertained to the needs of the people of their day, and the striking parallels to the needs of God's people today.
